Personal-Portfolio - [www.tamanbachani.github.io](https://www.tamanbachani.github.io)

### ACADEMICS

Qualification	Institute	Board / University	Year	% / CGPA
BE (Biomedical)	Thadomal Shahani Engineering College	Mumbai University	2022	7.59/10
XII	Shri. T.P. Bhatia College of Science, Mumbai	HSC	2018	75.00%
X	Vibgyor High School	ICSE	2016	91.89%

### PROJECTS AND INTERSHIPS

#### PERSONAL PORTFOLIO WEBSITE

Completely responsive single-page website using HTML, CSS, and Javascript - <https://tamanbachani.github.io/>

- Focused immensely on the UI
- Learned media queries to make it fully responsive

#### ONE WORLD

Magazine for I.I.M.U.N. (with over 2000 subscribers for the magazine)(more than 300K followers)

- Conceptualized all 6 editions of the I.I.M.U.N. Magazine
- Curated over 25 articles for it
- Contributed to over 60 designs for the magazine, using Canva
- Coordinated project completion, and refining of it

#### AGING SIGNS DETECTION

Major Project for my internship with Zebo.ai and Verzeo

- Learned facial detection using open-cv
- Used a deep learning model and a cascade file to train the same
- Successfully created a border if puffy eyes were detected
- Successfully created a map for wrinkles, if detected

#### SPARK BANK

Project for my internship with The Sparks Foundation - <https://spark-bank-taman.herokuapp.com/>

- Created a basic banking system with multiple functionalities
- The user could register, view details of the bank customers, and transfer money to them
- Created RESTful routes using flask and connected the MySQL database using flask as well
- Applied professional color palettes for the design

### TECHNICAL TRAINING / CERTIFICATIONS

• Python for Everybody Specialization - University of Michigan x Coursera's Specialization with 5 courses - <i>Coursera.org</i> .	2021
